11th Annual Sickle Cell Education Day
An event for those whose lives have been affected by sickle cell disease

11th Annual Sickle Cell Education Day

Sickle cell disease impacts many lives—the child who has the condition, family members and friends, as well as the child’s teachers and healthcare team.

This annual event has something for all of you:

- Information about current therapies
- Forums to share stories and ask questions
- Tips for living with sickle cell disease
- Programs for school-age children (ages 6 to 12), teenagers and young adults (age 13 and older) and adults

There will be no childcare for children younger than age 6. However, they may attend if accompanied by an adult at all times.

Saturday, Oct. 2, 2010

9 a.m. to 4 p.m.

Loudermilk Center

40 Courtland St.

Atlanta, GA 30303-2538

RSVP

RSVP is required to accommodate all guests. Call 404-785-0873 by Friday, Sep. 17, 2010, to let us know if you will be attending. Preregistered attendees will get additional raffle tickets the day of the event.

We look forward to seeing you at Sickle Cell Education Day.
